Dear Child Care Provider,

This letter is in regards to the November 18<sup>th</sup>, 2013 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)n Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. **(Battery at the top of the stairway needs replaced.)**

**Due to a complaint in the home that is addressed in a separate document, a new application will be required. Please complete the application omitting the person that is no longer allowed in the residence and return it to the Department by December 20<sup>th</sup>. An application is enclosed. Please send it to:**

**Iowa Department of Human Services**  
**Child Care Registration**  
**1305 E Walnut**  
**Des Moines, IA 50319**

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed. Child Care Resource and Referral will check your home for completion of your items out of compliance with the checklist. They can be reached at 319-233-0804

Please do not hesitate to contact me at DHS at 319-292-2419 if you have any questions regarding this letter.

Sincerely,

Angela Huntington  
Social Worker II
